GENERAL TERMS AND CONDITIONS:

The IEEP may choose to inspect locations to verify satisfactory completion of the projects, and to measure and verify energy savings. Such inspections will be made at a time convenient to the applicant, with advanced notice to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the incentive award.

Customers are responsible for any such tax implications associated with reimbursement. Your electric utility and the IEEP are not responsible for any tax consequences associated with any payments. Your electric utility and the IEEP assume no responsibility for performance of equipment and equipment warranty. **The equipment must be purchased new and installed within your electric utility's service territory within six months of receipt purchase date.** The customer relieves the electric utility and IEEP of any and all liability associated with this project. The IEEP reserves the right in its sole discretion to terminate or modify this program at any time.

I, the undersigned, agree to the terms and conditions of this document. I understand that I am fully liable for any tax consequence that may arise from this reimbursement.

Qualifying Measures Worksheet

Your electric utility has qualified the energy-saving appliances listed on this page for Appliance Advantage incentives. For the appliance to be eligible, it must meet the minimum qualifying standards indicated in the chart. **The equipment must be purchased new and installed within the electric utility's service territory within six months of receipt purchase date.** For rebates up to $750, pre-approval is not required; rebates greater than $750 require pre-approval. If you have any questions or you require pre-approval, please contact the IEEP at 315-463-7208.

Please ensure that the product has the Energy Star label (or applicable SEER performance rating documentation for heat pumps). To find out more about ENERGY STAR® appliances, or to inquire about qualifying products, visit the ENERGY STAR® website: www.energystar.gov
